

## Script for General Evaluator

*Good evening, fellow toastmasters and our guests.*

*For the benefit of our members and guests, I am the general evaluator today and I conduct the evaluation portion of our meeting. I will be calling on a team to assist me with giving feedback to our speakers and I will evaluate the entire meeting as well at the end.*

*Help me welcome \_\_\_\_\_ to evaluate the speech given by \_\_\_\_\_*  
evaluator #1 speaker #1

*Say a sentence or two to acknowledge each evaluation.*

*Help me welcome \_\_\_\_\_ to evaluate the speech given by \_\_\_\_\_*  
evaluator #2 speaker #2

*Help me welcome \_\_\_\_\_ to evaluate the speech given by \_\_\_\_\_*  
evaluator #3 speaker #3

*Next we'll hear from the **grammarian** \_\_\_\_\_ who's been listening for good uses of the language as well as points for improvement. You may give your report from your place.*

*Our word today was \_\_\_\_\_, and our **wordmaster** \_\_\_\_\_ has been tracking our use of the word. You may give the report from your place.*

*The **ah-counter** tracks the use of verbal pauses – those ah's and um's that come out of our mouths while we think of the next thing to say. These verbal pauses detract from our message, and we stop counting at five.*

*Our ah-counter is \_\_\_\_\_. You may give your report from your place.*

*It is important to get your message across in the allowed time, and for the meeting to run according to schedule.*

*Our **timer**, \_\_\_\_\_, will now report on how we've done with the time. You may give your report from your place.*

*Now I have a few comments on the meeting as a whole. Timer, please monitor my time between 2 and 3 minutes.*
